JPPS

is the premier peer reviewed journal, covering mental health research in the region.

It is published only twice a year but it influences mental health care and your practice throughout the year

JPPS publishes

Articles which are relevant to your practice. Examples from recent issues include

Conversion Disorder - A dilemma facing the psychiatrists in developing countries

Cost of illness of schizophrenia

Gene discovery in schizophrenia and bipolar disorder

We can talk... But can we communicate?

It is indexed in all the major national and regional databases, has free full text content available on a user friendly website and is available in all the major health institutions of the country.

Why not

- Click to access the latest content on www.jpps.com.pk
- Submit your next article. Instructions for authors are available in each issue and on the website. We welcome articles from every country but our special focus is on mental health issues in the developing countries
- Subscribe your personal copy. Write to the editorial office
- Advertise your product. JPPS is widely circulated
